

“A Culture of Care - To the Rescue”

The Lord was making rescues on 9/11.

Rescues are possible for those who follow Christ.

1. He rescues others in spite of His own need.

Care responds with selfless compassion, v. 5-6.

2. He rescues those who seem beyond any hope, v. 7-10.

Care reaches those without hope or status.

3. He rescues those in need of new life, v. 11-15.

Care leads people to eternal life.

There are people all around us who need to be rescued with care.

Live beyond yourself to rescue those hidden in the ashes of a fallen world.
