

“How to Be With Jesus”

God is worthy of our best when we worship Him.

God calls us to worship Him in spirit and truth, John 4:24.

Genuine worship requires that we learn how to be with Jesus. Mary, a prostitute, can teach us how to be with Jesus.

Worship with passionate gratitude. (See R. Foster's Celebration of Discipline)

Openly give yourself to the Lord.

Relinquish sin and thoughts of self.

Share your heart and life.

Hear what the Lord has for you.

Imitate the ways of Christ.

Pray with your entire being.

Call upon the Lord in the presence of His people, Ps. 116:17.
